

Dear \_\_\_\_\_ ,

Ho!ho!ho! from North Pole

How are you doing my child?

I am thrilled to find out that you have been a very good boy/ girl all this year. And I hope that you will be happy with the present that I have just brought for you!

I am so happy to visit your home on Christmas eve.

Leave out some milk n cookies for me and some carrots for my reindeer on Xmas eve. I get really hungry travelling all over the world :(

Go to bed early on Christmas eve.

Merry Christmas!!

Love  
Santa
